Scan Cafe Organization Tip:

Rubberbands, boxes, or zip-lock bags are great tools to group images together. If you label the bound stack, the boxes, or the bags with an event or subject-specific title, our team will create folders for each using your titles to name the folders.

What are the steps?

Step 1: Send an email to Admin@ScanCafe.com using the subject line "Fishers150!"

Step 2: ScanCafe will provide an order ID to digitize 50 photographic images into a downloadable file!

Step 3: Drop off your order!

Step 4) ScanCafe preserves your memories

Step 5) Pick up originals when complete!
